

MD POLASH ALI

BIostatistician & RESEARCHER

✉ ali75@usf.edu | ☎ +1 (813) 598-1204 | 📍 Tampa, FL, USA
🌐 LinkedIn | 📄 Google Scholar | 🏠 2037 Blue Rock Dr., Tampa, FL

🎓 Education

Doctor of Philosophy — Mathematics (Statistics Concentration)

Aug 2025 – Present

University of South Florida

Tampa, FL, USA

Bachelor of Science — Statistics

Jan 2019 – Feb 2023

University of Dhaka

Dhaka, Bangladesh

💡 Research Interests

Biostatistics & Public Health

Statistical Genetics & Causal Inference

Applied Statistics

Time Series Analysis

Machine Learning

Spatial Epidemiology

- [1] Ahmmad, M.R., Khan, M.T.F., Faruque, F., Ali, M.P. and Zhang, X. (2026). *A Community-Level Mental Health Burden Index: Development, Validation, and Spatial Vulnerability*. **Joint Statistical Meetings 2026**.
- [2] Ukpong, I., Ali, M.P., Pantazopoulos, H. and Ahmmad, M.R. (2026). *Frequency Patterns of Sugar-Sweetened Beverage Intake and Autism*. Poster #132, **USF Research Day**, University of South Florida.

Professional Experience

Graduate Teaching Assistant

Aug 2025 – Present

Tampa, FL, USA

University of South Florida — Department of Mathematics & Statistics

Lead recitation sessions, conduct office hours, and manage course logistics for Calculus I, Life Science Calculus I, Introduction to Probability, Mathematical Statistics I, Introductory Statistics I & II.

Mentor and support student learning through personalized academic guidance and exam preparation.

Operational Data Consultant

Nov 2024 – Feb 2025

Dhaka, Bangladesh

Family Health International (FHI 360) — USAID TBDNS Activity Project

Conducted spatial data analysis and geospatial mapping to support tuberculosis surveillance across multiple districts. Ensured data integrity and quality control for large-scale public health datasets.

Provided project oversight and data management for USAID-funded nutrition and TB intervention programs.

Biostatistics Trainer

May 2024 – Jul 2024

Dhaka, Bangladesh

Dhaka Medical College & Hospital — Department of Hepatology

Designed and delivered biostatistics curriculum for medical professionals, covering hypothesis testing, regression analysis, and data interpretation using SPSS

Technical Skills

Programming Languages

R Python SQL C

Statistical Software

IBM SPSS STATA Minitab SAS

GIS & Spatial Analysis

ArcGIS Pro QGIS

Data Visualization

ggplot2 Tableau Microsoft Excel

Other Tools

L^AT_EX MS Office Suite Knime

Awards & Honors

 **Winner** — QMH Statistics Club Data Analysis Competition, University of Dhaka, 2025

 **Dutch Bangla Bank Scholarship** — HSC Batch 2018, Merit-based National Scholarship

Languages

English Fluent Bengali Native Hindi Conversational

Certifications & Training

 **Python for Everybody Specialization** — University of Michigan, 2020

 **Excel Skills for Business Specialization** — Macquarie University, 2020

 **Data Analysis & Visualization Foundation** — Google, 2020

Leadership & Service

General Secretary

Jan 2023 – Jan 2024

Dhaka, Bangladesh

GOUR — Dhaka University Students Association of Chapainawabganj

Vice-President

Jan 2024 – Jan 2025

Dhaka, Bangladesh

PREDICTORS — FH Hall Statisticians Organization, University of Dhaka

Active Member

Jan 2024 – Jan 2025

Dhaka, Bangladesh

Qazi Motahar Husain Statistics Club, University of Dhaka
